SIZING

Temperature and exercise affect finger size. Do not have your ring size taken immediately after engaging in physical exertion.

MINIATURE RINGS

Matching miniatures of the 1968 Class Rings are on display in the Cadet Store and the mezzanine of the Hotel Thayer. Miniature rings with special settings will be offered for sale during announced display periods.

PROCEDURE

At their earliest convenience Cadets should inspect ring samples on display and decide on the type of ring, stone, and finish desired. The week of October 9th a Balfour representative will be at the Cadet Store to take ring sizes and orders. See schedule for your Company. Cadets should bring completed order blanks to the Store at this time. Please fill in the pink shaded area carefully. Type orders if possible. No changes on orders can be made after February 1, 1967.

Your cooperation will be appreciated.

Respectfully,

L. G. BALFOUR COMPANY
